UPDATES TO AGENCY BINDING AUTHORITY GUIDELINES

Effective immediately Mutual Benefit Group (MBG) has updated its Agency Binding Authority Guidelines for commercial and personal lines for any restrictions during a natural disaster, riot or civil commotion and governmental state of emergency. These binding authority guidelines supersede and replace any prior authority granted to your agency and are subject to the terms of your Agency Agreement. A copy of the updated guidelines is attached to your email.

Mutual Benefit Group will endeavor to advise agents when a temporary moratorium is implemented or lifted, but it is the agent's responsibility to follow these guidelines.

If you have any questions regarding these guidelines, please contact Scott Ulrich, Tracey Cook or Marianne Morosko.

Mutual Benefit is committed to providing a stable, competitive market for the long term. This requires reviewing guidelines on a regular basis and making periodic adjustments to keep pace with changes in the insurance marketplace.
