MUTUAL BENEFIT GROUP

---

TO: ALL PERSONAL LINES AGENTS

## PERSONAL AUTO AND HOMEOWNERS UNDERWRITING GUIDELINE CHANGES

Effective immediately, Mutual Benefit Group will be implementing the following changes to our Personal Auto and Homeowners new business guidelines.

### PERSONAL AUTO

- **Electric Vehicles** – Vehicles powered solely by electricity are eligible.
- **R-titled Vehicles** – Vehicles with a reconstructed title are eligible for new business (liability only).

### HOMEOWNERS

- **Trampolines** – Risks with a trampoline that is netted, anchored down, and in good condition are eligible.

These changes will be programmed in our online rating system soon. The revised guideline cards will be available in PRO and on our agent website, [www.mbgagents.com](http://www.mbgagents.com).

We hope these changes will help make it easier for you to write business with us. If you have any questions, please contact your personal lines underwriter or marketing representative.
